FOR IMMEDIATE RELEASE

Progressive Railroading Announces 2021 Reader's Choice Award Winners

Milwaukee, WI – August 10, 2021 – *Progressive Railroading* is pleased to announce the [winners of its 2nd annual Reader's Choice Awards program](#).

The Reader's Choice Awards program recognizes products that best meet the industry's needs as selected by subscribers of *Progressive Railroading*. The 2021 Reader's Choice Awards recognized products, systems, and technologies in six categories: C&S Products, Innovative Products, MOW Products, New Products, Safety Products, and Technology Products.

2021 Reader's Choice Award Winners:

- **C&S Products:** Frauscher Sensor Technology, Railway Equipment Company (REC), Sargent and Greenleaf
- **Innovative Products:** LINSINGER, Piper Networks, TekTracking
- **MOW Products:** Curry Rail Services, Focused Technology Solutions, Industry-Railway Suppliers
- **New Products:** The Greenbrier Companies, Precision Cut, Siemens Mobility
- **Safety Products:** L.B. Foster, Piper Networks, Railserve
- **Technology Products:** L.B. Foster, Loram Technologies (2)

"The Reader's Choice Awards have quickly become a mark of excellence in the rail industry," said Kirk Bastyr, publisher of *Progressive Railroading*. "We received a record number of entries this year from manufacturers of all sizes and all types of products. I'm pleased that *Progressive Railroading* can shine a spotlight on these companies and their outstanding products."

Readers' Choice Award winners will be recognized in the August issue of *Progressive Railroading* magazine.
